American Headway, Second Edition is the world's most trusted adult English course offering a perfectly-balanced, six-level syllabus and fresh new digital support. With a strong focus on grammar, clear vocabulary syllabus and integrated skills work, its proven methodology provides classroom lessons that really work.

Still the world's most trusted adult English course - American Headway Third Edition combines a perfectly-balanced syllabus with more conversation, assessment and digital teaching and learning resources than ever before.

Comprehensive, challenging, and effective - the best of American Headway for upper-intermediate to advanced students.

Teach with confidence, using the world's favorite English course. Interchange is a four-level, American English course that has been used by over 50 million students worldwide. This Level 3A Workbook provides six pages of additional practice for each unit in the first half of the Student's Book (units 1-8). The workbook helps recycle and review language by providing additional practice in grammar, vocabulary, reading, and writing. It is appropriate for in-class work or can be assigned as homework.

"Texts must be interesting enough for students to want to read them in their own language. Otherwise, how can we expect students to want to read them in English?" This is the authors' golden rule when they choose texts and topics for every level of American English File. It ensures you get material that learners will enjoy reading and will want to talk about. Texts such as "Could you live without money?" really help to generate opinion and discussion. They create a desire to communicate. Having created the desire, American English File then helps you to develop learners' communication skills. One way it does this is with a strong focus on pronunciation. Research shows that poor pronunciation is a major contributor to breakdowns in communication (Jennifer Jenkins: The Phonology of English as an International Language). American English File integrates pronunciation into every lesson - the "little and often" approach. But that's not all. The unique English File Sounds Chart puts a picture to each sound in the phonetic alphabet, so learners find it easier to remember the sounds and, ultimately, improve their pronunciation.

Still the world's most trusted adult English course - American Headway Third Edition combines a perfectly-balanced syllabus with more conversation, assessment and digital teaching and learning resources than ever before.

Headway is for students who want to use English accurately and fluently, and to communicate with ease in both social and everyday situations. This latest addition to the Headway family offers the beginner and false beginner all the best features of the Headway package plus the newer features of 'Everyday English' sections, an integrated vocabulary syllabus, and revision and self-access sections after every four units.

A new Beginner edition from the world's most trusted ELT course.

Got it! is a course which is comprehensive and innovative in its range of resources, but also offers support and flexibility for the teacher. How does it achieve this? By presenting grammar through dialogues or texts and following up with more detailed analysis, students are able to check their understanding of meaning and context. They are encouraged to try out new structures and are given opportunities to explore the meaning and usage of new language before it is presented and practised more formally. This allows them to discover the language intuitively for themselves and this sense of achievement helps to motivate them. With a strong emphasis on dialogue work and personalization, students are able to understand how the language can work for them. Targeted skills lessons develop this and build their competence further. The outstanding range of components means that every lesson can be varied and exciting. Whether you prefer using print or digital, or a combination of the two, all the resources are at your fingertips - giving you maximum support and flexibility. Maintaining motivation is always a challenge with teenagers, so the topics for each unit have been carefully chosen to help them become culturally aware. In addition, the broad range of issues covered develops their understanding of values.

Providing a foundation in the structure of the language by gradually building students' understanding of the basic grammar, vocabulary, and functions of English.
