Ram Karan works for the New Delhi school system but supports his widowed daughter and granddaughter by taking bribes for a small time Congress party boss, until his involvement in a terrifying political campaign could cost him his life. A first novel.

Get Free An Obedient Father

Ram Karan works for the New Delhi school system but supports his widowed daughter and granddaughter by taking bribes for a small time Congress party boss, until his involvement in a political campaign could cost him his life.

Finally joining their father in America, Ajay and Birju enjoy their new, extraordinary life until tragedy strikes, leaving one brother incapacitated and the other practically orphaned in this strange land in the second novel from the author of *An Obedient Father*. 30,000 first printing.

A Life of Adventure and Delight delivers eight masterful stories from dazzlingly original and critically acclaimed author Akhil Sharma. Hailed as a storyteller whose fiction is "a glowing work of art" (*Wall Street Journal*), Akhil Sharma is possessed of a narrative voice "as hypnotic as those found in the pages of Dostoyevsky" (*The Nation*). In *A Life of Adventure and Delight*, Sharma delivers eight masterful stories that focus on Indian protagonists at home and abroad and that plunge the reader into the unpredictable workings of the human heart. A young woman in an arranged marriage awakens one day surprised to find herself in love with her husband. A retired divorcé tries to

Get Free An Obedient Father

become the perfect partner by reading women's magazines. A man's longstanding contempt for his cousin suddenly shifts inward when he witnesses his cousin caring for a sick woman. Tender and darkly comic, the protagonists in *A Life of Adventure and Delight* deceive themselves and engage in odd behaviors as they navigate how to be good, how to make meaningful relationships, and the strengths and pitfalls of self-interest. Elegantly written and emotionally immediate, the stories provide an intimate, honest assessment of human relationships between mothers and sons, sons and lovers, and husband and wives from a dazzlingly original, critically acclaimed writer.

Corrosive, funny, and frightening--one of the year's most absorbing first novels "My general incompetence and laziness at work had been apparent for so long that I now think it was arrogant of Mr. Gupta to pick me as his money man. I am the type of person who does not make sure that a file includes all the pages it must have or that the pages are in the right order. I refuse to accept even properly placed blame, lying outright that somebody else misplaced the completed forms or spilled tea on them, even though I was the last one to sign them out, or had the soggy papers still on my desk." As an inspector for the Physical Education Department in the Delhi school system, Ram Karan supports his widowed daughter and eight-year-old granddaughter by

Get Free An Obedient Father

collecting bribes for a small-time Congress Party boss. On the eve of Rajiv Gandhi's assassination, one reckless act bares the lifetime of violence and sexual shame behind Ram's dingy public career and involves him in a farcical, but terrifying, political campaign that could cost him his life. An astonishing character study, a portrait of a family--and a country--tormented by the past, Akhil Sharma's *An Obedient Father* recalls Dostoyevsky's guilt-ridden anti-heroes in this fully formed debut novel.

For many years, best-selling author Michael Phillips assumed he clearly understood the life of Jesus. Though Jesus was in truth his Savior, and even his Lord, Phillips felt challenged to understand more of the remarkable life lived two thousand years ago in Palestine. Then came a crisis in his spiritual pilgrimage when circumstances forced him to open the book of his life in a new way, and delve more deeply into the fundamental why of Jesus' life. Challenged to discover the New Testament imperative for his life, Phillips takes a fresh look at the Bible to find out what is the essence, the foundation, of spirituality. Boiled down. The raw reality of the gospel. No frills. No excess baggage. No trite little phrases learned in Sunday school or youth group. He discovers a key that gives validity to an entire life's purpose and perspective as a Christian for right now. Not in

Get Free An Obedient Father

some grandiose, far-reaching way . . . but the link between belief and practice, between eternity and now, between Christianity as a world religion, and Christianity as a practical guidebook for going about the business of life in the trenches. For if ever a man walked in harmony between ultimate purpose and the next five minutes, that man was Jesus Christ. And that key to Jesus' life was obedience.

Present Day: Ellie is a young woman who is content with the life she lives. She's grateful for what she's been able to accomplish so far, since it allows her some economic stability and lets her help her little sister pay for college. She's not interested in love, because she saw at a young age what giving her heart away can do to a woman. Her mother was made miserable by her father, a man she loved with all her heart who wound up destroying her. But destiny has a surprise prepared for her, and when she least expects it, she finds herself arriving in an era not her own, in the house of a man she has never seen in her life, with a gruff, bossy personality. All she has with her is a letter in her hands directed to him, informing him that she is the mail-order bride he'd written for some months earlier. 1880: Phillip is a responsible, hard-working, and very handsome man who lives alone and feels the need for a wife. A woman to take care of him and his house, who is obedient and does what he tells her to. Someone

Get Free An Obedient Father

strong, who can give him healthy children and not go running at the first difficulty. When he realizes that this skinny woman in strange clothing is the bride they sent him, he is furious and wants to send her away, back to her city, but something in her touches his heart and makes him change his mind. Maybe with a little instruction she can grow to be the kind of woman he's looking for, but what worries him most is that she seems to be a bit wrong in the head; she keeps saying that she's from the future. Ellie just wants to get out of there, and Phillip just wants an obedient wife. What will come out of this mess?

Elizabeth Rich Handford uses God's Word to present the reason for a wife's subjection to her husband. She shows how the husband and wife relationship is the foundation for a happy and godly home. And at the same time, she shows how a submissive wife is not an inferior partner.

Have you experienced failures in your life? Is your startup business facing a downturn? Is your dream partner telling you she hates you? Don't despair. Failure encages us all. Akhil, born with a plastic spoon in India, was specially designed for all failures life can bring. Growing up like everyone, the more he tried for success, the more he failed. Not until when he redefined his stupidity and started listening to his heart, his failures brought forth his keys to freedom

Get Free An Obedient Father

and made him discover that 'Failure encourages us all'. This book is about his transformation from being a failure to the creator of the award-winning technique 'The Art of Failure'. It talks about his technique, hidden in the form of an entertaining but true autobiographical story. It is helpful for everyone who wants to become a fearless failure warrior rather than being a usual success hunter. The narrative is set against the transformation of India - from its analog days to the digital age and bubbling startup economy. One thing which hasn't changed with time though is the hatred and fear towards failure and how it has been eating up our enormous innovation potential for ages. It is time to accept failure as a part of life - where there is no failure, there is no growth. Learn from your experiences and move on!

To prove to his father that he is a real dragon, young Drake is sent to the local village to cause some mischief and start a fire. But Drake has only ever breathed fire to roast a tasty caterpillar. How will he burn down a whole house? Or a school? Or even an old wooden shack? Has Drake got what it takes to make his father proud? A funny and moving story about the bonds between fathers and children, with fantastic illustrations and a positive, peaceful message - and all the magic and mayhem you'd hope for in a tale about dragons.
