tough place to navigate for a small-town, southern girl like me.

Luckily, fate sent me my very own knight in shining armor. Only Whitaker Aldrich didn't ride in on his white steed to save me. He picked me up on his Harley Davidson, wearing a leather jacket and sporting a cocky smirk that doesn't bode well for my man free diet. He screams one-night stand. But there's so much more to him than that bad boy billionaire persona. He's thoughtful and kind and his six-year-old son is his entire world. That twinkle in his brilliant green eyes makes me weak in the knees and I'm terrified that I won't be able to protect my already bruised heart. He was hot, he looked ultra-rich, and he had no reason to notice me. So why was he stalking me from table to table? I thought I might be in trouble for winning too much. I had no idea how sexy the trouble would turn out to be.
