Esta novela relata una serie de sucesos cotidianos que tienen lugar en un poblado chiapaneco cercano a Guatamela, Balún-Canán. En medio de la tensión en que coexisten dos mundos opuestos -el del hombre blanco y del indio chontal- se mueven diversos personajes en cuya vida se refleja una lucha dramática y ancestral entre dos razas. Bajo la vívida recreación que hace Castellanos de la vida rural y las costumbres, no podemos dejar de lado el peso real que otorga a la novela el relato autobiográfico que recorre sus páginas.

The Nine Guardians is crowded with the magic and malice of warring gods and men.

La publicaci n de estas Obras reunidas es un acto de justicia a una de las grandes escritoras mexicanas del siglo XX. Su narrativa desterr de nuestras letras la mirada ex gena y paternalista que hab a caracterizado el indigenismo mexicano. Las dos novelas aqu reunidas pretenden atrapar el tiempo ind gena en su naturaleza c clica y ceremonial y, m s a n, como el drama universal de seres determinados por una cultura milenaria cuyo choque con Occidente los ha herido y transformado.

Ciudad Real, as the Mexican city of San Cristobal de las Casas was called in earlier times, is the setting for this 1960 collection of stories by Rosario Castellanos that treats the passionate and timely themes of race, class, power and language. Set in the southern region of Chiapas where Castellanos was born, City of Kings (Ciudad Real) explores the centuries-old domination of indigenous people by whites, and the complex relationship between conquerors and conquered that is its outcome. Each story weaves into the next to present a portrait of the men, women and children of the region, with their hopes, tragedies, beliefs and fears. Most of all, City of Kings reveals the

pain and damage suffered by both the weak and the strong when exploitation is the basis for everyday life.

Luis Negrón's debut collection reveals the intimate world of a small community in Puerto Rico joined together by its transgressive sexuality. The writing straddles the shifting line between pure, unadorned storytelling and satire, exploring the sometimes hilarious and sometimes heartbreaking nature of survival in a decidedly cruel world.
