Bert Rowes Mercedes Benz A

Are Mercedes-Benz workshop staff really so naive that they are not aware of this common problem on the 'A' Class or are they just trying it on? This is not the first time an owner has been told that there is a major gear box fault and that it will have to come out of the car and be replaced.

Over to Big-John I wan-a tell you a story! which Describes a crisis situation that faced Mercedes-Benz in 1997. Mercedes entered the compact car segment by introducing a revolutionary new car the A-class. The A-class was positioned as an entry-level vehicle in the Mercedes line and represented Mercedes' attempt to grow beyond its core market.
