ideas for yourself. Chess Tactics Workbook for Kids is the first in a new series of books that help players gain chess skills by tackling hundreds of carefully chosen exercises. The themes are similar to those in Gambit's best-selling 'Chess for Kids' series, but the focus is on getting vital hands-on experience. Many positions build on ones given earlier, showing how advanced ideas are normally made up of simpler ones that we can all grasp. Each chapter introduces a basic theme and features dozens of exercises, with solutions that highlight the key points. In each chapter there are tips on what to look out for to help spot tactical ideas. As the chapters progress, we increasingly see how tactical ideas are combined together, with ideas from previous sections repeatedly appearing as part of a deadly one-two punch. The book ends with a series of six test papers where you are given no clues about the themes involved. Dr John Nunn is one of the best-respected figures in world chess. He was among the world's leading grandmasters for nearly twenty years and won four gold medals in chess Olympiads. In 2004, 2007 and 2010, Nunn was crowned World Chess Solving Champion, ahead of many former champions.
