kf82 valve adjustment - Buggies Gone Wild
The first step in adjusting the governor for your Club Golf Cart is to know exactly where it is. This metal rod will be in the shape of a "T" and will be able to pivot. Pull back on the rod and you will see a little gap--insert the golf tee or pencil and let go. The rod should not move, creating more gas flow.

How to Adjust the Governor on Club Car Golf Carts
1. With the combustion chamber side of the head facing up, drive the guide out of the head with a valve guide arbor (1) (Club Car Part No. 101641202) (Figure 13-19, Page 13-14). 2. Install the snap ring (2) on the new valve guide (Figure 13-20, Page 13-14). Page 101: Valve Seats
