## Designing Interfaces (2005) (PDF)

Jenifer Tidwell, Charles Brewer, Aynne Valencia

Designing good application interfaces isn't easy now that companies need to create compelling, seamless user experiences across an exploding number of channels, screens, and contexts. In this updated third edition, you'll learn how to navigate through the maze of design options.

---

## Designing Interfaces: Patterns for Effective Interaction

...

This bestselling book is one of the few reliable sources to help you navigate through the maze of design options. By capturing UI best practices and reusable ideas as design patterns, Designing Interfaces provides solutions to common design problems that you can tailor to the situation at hand. This updated edition includes patterns for mobile apps and social media, as well as web applications and desktop software.

Editions of Designing Interfaces: Patterns for Effective  
...

Novice designers will find a roadmap to the world of interface and interaction design, with enough guidance to start using these patterns immediately. O'Reilly Media; November 2005. ISBN: 9780596519087. Edition: 1. Title: Designing Interfaces. Author: Jenifer Tidwell. Imprint: O'Reilly Media. Language: English.

---

Designing Interfaces by Tidwell, Jenifer (ebook)  
Designing interfaces can be very difficult. The proof is the majority of applications that are hard or unpleasant to work with. Yet the author has no idea what designing interfaces takes. Tidwell only wings it by making up reasons why the Apple interface is great. Well the Apple interface is great and sales would prove it. And?

---

Designing Interfaces: Patterns for Effective Interaction  
...

Tidwell, taking her own advice, continued developing her theory and her pattern language for human-computer interface design until she had the makings for her acclaimed text, Designing Interfaces. The book offers patterns that act as solutions to common design problems and that can be tailored to whatever the situation might be.
