This lively, beginning German text is the perfect choice for those who want to move in a more communicative direction without abandoning a focus on grammar. Deutsch: Na Klar! uses a solid four-skills approach with a difference: the vocabulary, grammar, and reading sections are integrated with authentic materials, allowing students to learn language and culture simultaneously. German materials (advertisements, menus, newspaper articles, etc.) are used to present new vocabulary, introduce grammar points, and launch communicative activities. A listening-comprehension tape is tied to the text-book to help students improve listening skills.
