Business Organizations for Paralegals by Deborah E. Bouchoux offers comprehensive overview of business organizations, presented in a student-friendly format Business Organizations for Paralegals covers of all the various types of business organizations and provides a basic and thorough understanding without overwhelming students. Each business entity is discussed using a logical " life cycle " approach: from its formation, to its advantages and disadvantages, to its operation, to its dissolution, and to its tax consequences. The text begins with an introduction to the various business entities and then progresses from the simplest, the sole proprietorship, through partnerships, to the most complex, the business corporation. The newest forms of business entities, the limited liability partnership and limited liability company, are also discussed. The text concludes with " other " forms of corporations, such as nonprofit and professional corporations. The text combines in-depth substantive coverage of topics with practical information, including checklists. Throughout, helpful pedagogy reinforces the material, including web resources, key terms, practice tips, and exercises. New to the Ninth Edition: New case illustrations, discussion questions, and Net Worth questions New and updated charts Discussion of the Corporate Transparency Act of 2021 Discussions of the shift away from the shareholder primacy doctrine to a new standard for corporate responsibility in which the interests of other stakeholders are considered when corporations take action Examination of green and social bonds, by which corporations fund eco-friendly projects or raise funds for social projects such as affordable housing An entirely new section in Chapter Eleven on governance trends, especially ESG issues, such as improving diversity in the boardroom and proposals to combat climate change Discussion of direct listings and SPACs (special purpose acquisition companies) as alternatives to IPOs The use of new stock trading apps such as Robinhood and the 2021 short sale of meme stock GameStop The SEC ' s actions against celebrities for touting cryptocurrency investments The effect of the #MeToo and Black Lives Matter movements on businesses The significance of the COVID-19 pandemic in various business-related issues Professors and students will benefit from: Comprehensive, classroom-tested text designed for paralegal students Timely coverage of new trends and topics Excellent pedagogy and well-written text make a dense topic accessible Helpful visual aids and charts that illustrate and highlight important topics Sample forms that appear in context throughout the book Discussion of the role of the paralegal in each chapter

Business Organizations Law in Focus offers a comprehensive, practiceoriented approach to the legal and practical aspects of business organizations. By providing real world scenarios throughout, the text gives students numerous opportunities to apply what they learn and solidify their understanding of important concepts. Clear explanatory text, case previews, and case follow-ups further clarify business principles and aid in student understanding. This text focuses on key attributes, advantages, and disadvantages of each form of business organization, including partnerships, limited liability companies, and corporations. In addition, it also addresses issues arising under the federal securities laws, including reforms associated with the SarbanesOxley Act of 2002 and the Dodd-Frank Wall Street Reform and Consumer Protection Act. Among other " hot " topics are " spotlight " sections, which address corporate inversions, start-up " unicorns, " and insider trading.
