After drinking an elixir that bestows immortality upon him, a young Indian named Flapping Eagle spends the next seven hundred years sailing the seas with the blessing—and ultimately the burden—of living forever. Eventually, weary of the sameness of life, he journeys to the mountainous Calf Island to regain his mortality. There he meets other immortals obsessed with their own stasis and sets out to scale the island's peak, from which the mysterious and corrosive Grimus Effect emits. Through a series of thrilling quests and encounters, Flapping Eagle comes face-to-face with the island's creator and unwinds the mysteries of his own humanity. Salman Rushdie's celebrated debut novel remains as powerful and as haunting as when it was first published more than thirty years ago.

"A mixture of science fiction and folktale, past and future, primitive and present-day . . . Thunderous and touching." –Financial Times After drinking an elixir that bestows immortality upon him, a young Indian named Flapping Eagle spends the next seven hundred years sailing the seas with the blessing—and ultimately the burden—of living forever. Eventually, weary of the sameness of life, he journeys to the mountainous Calf Island to regain his mortality. published more than thirty years ago. "A book to be read twice . . . [Grimus] is literate, it is fun, it is meaningful, and perhaps most important, it pushes the boundaries of the form outward." -Los Angeles Times

From the Booker Prize-winning author of *The Satanic Verses* comes nine stories that reveal the oceanic distances and the unexpected intimacies between East and West. Daring, extravagant, comical and humane, this book renews Rushdie's stature as a storyteller who can enthrall and instruct us with the same sentence.

Five years after her return home from Auschwitz, Piera Sonnino found the courage to tell the story of the extermination of her parents, three brothers, and two sisters by the Nazis. Discovered in 2005 in Italy and first published in English in 2006, this poignant and extraordinarily well-written account is strikingly accurate in bringing to life the methodical and relentless erosion of the freedoms and human dignity of the Italian Jews, from Mussolini's racial laws of 1938 to the institutionalized horror of Auschwitz. Through Sonnino's words, memory has the power to disarm these unspeakable evils, in *This Has Happened*.

Newly collected, revised, and expanded nonfiction from the first two decades of the twenty-first century—including many texts never previously in print—by the Booker Prize-winning, internationally bestselling author Longlisted for the PEN/Diamonstein-Spielvogel Award for the Art of the Essay Salman Rushdie is

## Read Book Grimus Salman Rushdie

celebrated as “a master of perpetual storytelling” (The New Yorker), illuminating truths about our society and culture through his gorgeous, often searing prose. Now, in his latest collection of nonfiction, he brings together insightful and inspiring essays, criticism, and speeches that focus on his relationship with the written word and solidify his place as one of the most original thinkers of our time. Gathering pieces written between 2003 and 2020, *Languages of Truth* chronicles Rushdie’s intellectual engagement with a period of momentous cultural shifts. Immersing the reader in a wide variety of subjects, he delves into the nature of storytelling as a human need, and what emerges is, in myriad ways, a love letter to literature itself. Rushdie explores what the work of authors from Shakespeare and Cervantes to Samuel Beckett, Eudora Welty, and Toni Morrison mean to him, whether on the page or in person. He delves deep into the nature of “truth,” revels in the vibrant malleability of language and the creative lines that can join art and life, and looks anew at migration, multiculturalism, and censorship. Enlivened on every page by Rushdie’s signature wit and dazzling voice, *Languages of Truth* offers the author’s most piercingly analytical views yet on the evolution of literature and culture even as he takes us on an exhilarating tour of his own exuberant and fearless imagination.

*Shalimar the Clown* is a masterpiece from one of our greatest writers, a dazzling novel that brings together the fiercest passions of the heart and the gravest conflicts of our time into an astonishingly powerful, all-encompassing story. Max

## Read Book Grimus Salman Rushdie

Ophuls' memorable life ends violently in Los Angeles in 1993 when he is murdered by his Muslim driver Noman Sher Noman, also known as Shalimar the Clown. At first the crime seems to be politically motivated—Ophuls was previously ambassador to India, and later US counterterrorism chief—but it is much more. Ophuls is a giant, an architect of the modern world: a Resistance hero and best-selling author, brilliant economist and clandestine US intelligence official. But it is as Ambassador to India that the seeds of his demise are planted, thanks to another of his great roles—irresistible lover. Visiting the Kashmiri village of Pachigam, Ophuls lures an impossibly beautiful dancer, the ambitious (and willing) Boonyi Kaul, away from her husband, and installs her as his mistress in Delhi. But their affair cannot be kept secret, and when Boonyi returns home, disgraced and obese, it seems that all she has waiting for her is the inevitable revenge of her husband: Noman Sher Noman, Shalimar the Clown. He was an acrobat and tightrope walker in their village's traditional theatrical troupe; but soon Shalimar is trained as a militant in Kashmir's increasingly brutal insurrection, and eventually becomes a terrorist with a global remit and a deeply personal mission of vengeance. In this stunningly rich book everything is connected, and everyone is a part of everyone else. A powerful love story, intensely political and historically informed, Shalimar the Clown is also profoundly human, an involving story of people's lives, desires and crises, as well as—in typical Rushdie fashion—a magical tale where the dead speak and the future can be foreseen.

Presents a collection of stories selected from magazines in the United States and Canada

Moraes Zogoiby offers a revealing account of his family, their evolving fortunes, and the lost world of possibilities in twentieth-century India, detailing a universe of family rifts, greed, dark passions, secrecy, power, and the mysteries of art. Reprint. 100,000 first printing.

It all begins with a letter. Fall in love with Penguin Drop Caps, a new series of twenty-six collectible and hardcover editions, each with a type cover showcasing a gorgeously illustrated letter of the alphabet. In a design collaboration between Jessica Hische and Penguin Art Director Paul Buckley, the series features unique cover art by Hische, a superstar in the world of type design and illustration, whose work has appeared everywhere from Tiffany & Co. to Wes Anderson's recent film *Moonrise Kingdom* to Penguin's own bestsellers *Committed* and *Rules of Civility*. With exclusive designs that have never before appeared on Hische's hugely popular Daily Drop Cap blog, the Penguin Drop Caps series debuted with an 'A' for Jane Austen's *Pride and Prejudice*, a 'B' for Charlotte Brönte's *Jane Eyre*, and a 'C' for Willa Cather's *My Ántonia*. It continues with more perennial classics, perfect to give as elegant gifts or to showcase on your own shelves. R is for Rushdie. Set in an exotic Eastern landscape peopled by magicians and fantastic talking animals, Salman Rushdie's classic children's novel *Haroun and the Sea of Stories* inhabits

## Read Book *Grimus* Salman Rushdie

the same imaginative space as *Gulliver's Travels*, *Alice in Wonderland*, and *The Wizard of Oz*. Haroun, a 12-year-old boy sets out on an adventure to restore the poisoned source of the sea of stories. On the way, he encounters many foes, all intent on draining the sea of all its storytelling powers.

From one of the great novelists of our day, a vital, brilliant new book of essays, speeches and articles essential for our times. *Step Across This Line* showcases the other side of one of fiction's most astonishing conjurers. On display is Salman Rushdie's incisive, thoughtful and generous mind, in prose that is as entertaining as it is topical. The world is here, captured in pieces on a dazzling array of subjects: from New York's Amadou Diallo case to the *Wizard of Oz*, from U2 to fifty years of Indian writing, from a tribute to Angela Carter to the struggle to film *Midnight's Children*. The title essay was originally delivered at Yale as the 2002 Tanner lecture on human values, and examines the changing meaning of frontiers in the modern world -- moral and metaphorical frontiers as well as physical ones. The collection chronicles Rushdie's intellectual journeys, but it is also an intimate invitation into his life: he explores his relationship to India through a moving diary of his first visit there in over a decade, "A Dream of Glorious Return." *Step Across This Line* also includes "Messages From the Plague Years," a historic set of letters, articles and reflections on life under the fatwa. Gathered together for the first time, this is Rushdie's humane, intelligent and angry response to a grotesque threat, aimed not just at him but at free expression itself. *Step Across This Line*, Salman Rushdie's

## Read Book Grimus Salman Rushdie

first collection of non-fiction in a decade, has the same energy, imagination and erudition as his astounding novels -- along with some very strong opinions.
