"From one man's persistent and elegant probing of the temperature biology of bees, we have been led to a deeper understanding of the whole biology of many insect taxa, and of their interactions with ecological and environmental stresses: all who work at the interfaces of physiology, ecology and behaviour have cause to be grateful, and all should certainly read this book." (Trends in Ecology & Evolution) "An outstanding source of information, and can be read with profit and satisfaction by the professional biologist and interested amateur alike." (Nature)

There is no escaping a Reaper. I am an elite assassin, part of a brotherhood that only answers to Death. And when Death says your time is up, I'm coming for you... When Erith directs me to infiltrate the enemy and topple them from within, I immediately accept the challenge. I figure it'll be easy until a stunning warrior goddess crosses my path and diverts my attention. The problem? She's in league with those I

was sent to take down. However, I soon discover there is more to her than meets the eye and quickly find my mission divided: disband this new group of Fae Others and save the gorgeous Light from her family—and herself. All it takes is one look, one conversation to know that she's mine, and I will chance Death's displeasure to make it so. But the risks are great. Because when you fall in love with the enemy, more than your heart is on the line.

There is no escaping a Reaper. I am an elite assassin, part of a brotherhood that only answers to Death. And when Death says your time is up, I'm coming for you... Reborn to serve, I have never once questioned Death's directives. Until my mission leads me to a Halfling who stirs things within me that I've never felt before. Sorcha's past intrigues me, but not as much as the gorgeous and stubborn Halfling herself. Though the Others are no more, our enemies still lurk around every corner. I can feel it. But for her, I will battle whatever comes my way—be it present dangers or ghosts of the past.
