Full text of "Passion & reason; or, The modern Quintilian ...  
The focus of this dissertation is on the International Human Resource Management (IHRM) policies and practices of multinational companies (MNCs). Within the context of the suggested IHRM integrative framework, an attempt was made to explain the variance in IHRM practices used by MNCs by a number of exogenous and company-specific variables, original as well as those discussed in the literature.

"IHRM practices in multinational corporations: Developing ...  
(IHRIM) is the professional organisation for people working in health informatics, be it health records, clinical coding, or information governance.
