Many of the Native symbols have been incorporated by other groups to be used as treasure symbols. A safe bet would be that 99% of the treasure signs you come across are giving you one of three things. #1 is direction of travel. #2 the topography that you need to look for. #3 the layout of the treasure site. This is fairly universal among all groups.

Japanese Treasure Signs - Home | Facebook

The number 8 is an important treasure symbol. It also has many other symbols that are connected to it. The letter H is the alphabetical equivalent to the 8, and as you already know, the H is an important symbol that represents a tunnel. The Biblical meaning for the number 8 is "new beginnings".

Treasure Signs and Symbols 101 | CNY Artifact Recovery

14) Treasure every encounter, for it will never recur. 一見一回; ichi-go ichi-e; This is actually a Japanese proverb; a Zen Buddhist one. Literally, it means "one time, one meeting. Usually, it's translated as "one chance in a lifetime." But the BEST translation is: Treasure every encounter, for it will never recur. So, that meeting you had with a friend or someone that EXACT moment and everything that happened will never, ever happen again in this life.
