Elsevier was founded in 1880 and adopted the name and logo from the Dutch publishing house Elzevir that was an inspiration and has no connection to the contemporary Elsevier. The Elzevir family operated as booksellers and publishers in the Netherlands; the founder, Lodewijk Elzevir (1542–1617), lived in Leiden and established that business in 1580. As a company logo, Elsevier used the ...

More than 180 forestry journals were being published in 2008.

List of forestry journals - Wikipedia

Non-timber forest product (NTFP) governance is a recent concept denoting the process of rule and decision-making concerning production and marketing. This paper reviews the multiple dimensions of and recent trends in NTFP governance. It emphasises that NTFP governance is more than rule-making and includes a broader societal process based on social practices, values and principles.
