This book has different ways based on Math, Psychology, and Data Sorting on how you can approach life. Life is infinity and anyone can do their life differently but this book gives you key essential thinking to make it easier to deal with its ups and downs. Dannys previous two baseball books opened up to the many baseball lovers how to understand how to predict the performance of baseball players stats and it is extremely accurate as can be expected and done without a computer. In his life he loves predicting only to see it happens too often.

In The Progress Paradox, Gregg Easterbrook draws upon three decades of wide-ranging research and thinking to make the persuasive assertion that almost all aspects of Western life have vastly improved in the past century--and yet today, most men and women feel less happy than in previous generations. Detailing the emerging science of "positive psychology," which seeks to understand what causes a person's sense of well-being, Easterbrook offers an alternative to our culture of crisis and complaint. He makes a compelling case that optimism, gratitude, and acts of forgiveness not only make modern life more fulfilling but are actually in our self-interest. An affirming and constructive way of seeing life anew, The Progress Paradox will change the way you think about your place in the world--and about our collective ability to make it better.

Bursting with originality and controversy, author Naleighna Kai has created a provocative, and at times heartwarming tale about an age-old problem that will strike a chord with all women. Every Woman Needs a Wife is the hilarious, but thought-provoking story of a wife who does the "unthinkable." Strolling in on Vernon and his mistress one night, Brandi Spencer insists that the new woman in his life come home and earn her keep the honest way -- on her feet helping the wife clean the house, keep the children and pay the bills, instead of laying on her back servicing the husband. Tanya Kaufman has had one shock too many -- one minute she's a fiancée, the next she finds out she's been the mistress all along. When Tanya shows up during the surprise anniversary party to take Brandi up on her offer, the women seize the opportunity to teach Vernon that infidelity will no longer come at the expense of the women's time, money, and happiness. Vernon fights back by launching a high-profile court battle that doesn't have a thing to do with splitting the money,

Memories flood my mind as I reminisce how my journey has been a lifetime of happenings that speak to my soul with lessons that can be applied to our daily lives. These memories are conjured up at odd and, sometimes, inconvenient times. As I sat in church last Sunday and the pastor began his message, my mind captured a thought of bygone days that spoke loud and clear to my mind, and I scrambled in my bag for a pen and paper to put my thoughts down. Brother Tim must have thought he had really said something profound, and he did, but I did not write that down. It is my hope that all who read my memories and the lessons that I glean from them will take them to heart and identify with them and feel happiness, insight, and perhaps laughter as they share my memories and truths.
