Made Marian Mixtape: A Made Marian Collection (Audio Download): Amazon.co.uk: Lucy Lennox, Michael Dean, Lucy Lennox: Books

The best mixtape always has a mix of favorites on it-- songs playing in the background at Jude and Derek's wedding or when Simone finally falls in love. Loud beats pounding the dance floor when Blue tries to seduce Tristan in public, or sleepy notes written late at night while Jude is on tour. Strains of familiar music bring heart-gripping memories rushing back in--memories of the first time Tilly meets

Senator Cannon, the weekend a mysterious new family member arrives at a snowy cabin expecting solitude but finding a sexy lumberjack instead, or the winter Teddy "accidentally" strands Jamie in Tibet. Made Marian Mixtape is a collection of everything from a short 1k word vignette to a longer 30k novella. Catch glimpses into the lives of favorite existing Marian characters and meet new ones as well. With everything from hot nookie in a broken elevator to double-doses of pre-wedding panic, Mixtape presents over ten new stories set in the Made Marian world that will make you sniffle, swoon, and laugh out loud. Made Marian Mixtape is 72k words in length and best enjoyed by readers familiar with the Marian world. Early praise for this collection: "Slam this bad boy into your tape deck. Hngh. Harder." - Leonard Skynard (Lynard's very, very distant cousin) "OMG all the feels." - Boomers trying to be Millennials "For god's sake, fast forward to the good stuff." - Matilda Marian "Maybe remove that shower scene? Ahem." - Maverick Marian "But we really wanted to wear the tuxedos." - Springsteen and Patsy Cline (the pugs, not the singers)

Blue: When my ex walks into the resort bar with his new husband on his arm, I want nothing more than to prove to him that I've moved on. Thankfully, the sexy stranger sitting next to me is more than willing to share a few kisses in the name of revenge. It gets even better when

those scorching kisses turn into a night of fiery passion. The only problem? Turns out the stranger's brother is marrying my sister later this week. Tristan: I have one rule: no messing with the guests at my vineyard resort. Of course the one exception I make turns out to be my future brother-in-law. Now we're stuck together for a week of wedding activities, and there's no avoiding the heat burning between us. So fine, we make a deal: one week. One week to enjoy each other's bodies and get it out of our system. Once the bride and groom say I do and we become family, it'll all be over between us. Right?

The Marians aren't the only ones finding their happy ever after! In this collection of four short stories, some of our beloved secondary characters from the Made Marian series steal the show and find a love of their own. These stories range from 7k to 10k words and feature plenty of laughs, Marian cameos, and love. A suggested reading order can be found in the Look Inside, but you do not need to have read any other Made Marian novel to enjoy these stories. These stories have been previously published on Lucy's website. Brad's Story: When Brad opens his Vegas hotel room door to find a hot police officer waiting on the other side, he assumes crazy Aunt Tilly has sent him a strip-ogram. But instead of getting naked, Detective Gorgeous pulls out his cuffs. Turns out, the badge and uniform aren't just props, this cop is

the real deal. Beck's Story: After touring around the world, sleeping with fans after sold-out concerts, Beck is still unsatisfied in the bedroom. Men, women, men and women? He doesn't know quite what he's looking for when he enters an exclusive club to find some company for the night. But two sexy strangers begin dancing with him at the same time, and Beck finally begins to realize that it might not be variety he's after, but just the right set of lips whispering sexy words into his ear. Keller's Story: After telling Tilly to back off her attempt at setting him up, Keller catches sight of the nude model for the old lady's art class. Did he speak too soon? Meanwhile, stand-in model Eli is regretting his decision to strip down for a group of senior citizens, but then meets the manager of the vineyard and realizes being naked might not be so bad after all. Especially when things get wet... like really very wet... with hoses. Josh's Story: After moving from Denali, Alaska, to San Francisco in order to branch out, Josh hosts a big poker night for the Marians and his co-workers at the National Park Service. Little does he know, his own true love may not be someone new after all. Eight years ago, Cyrus Dimakos had to leave the love of his life to take care of his great-grandmother on a remote island in Greece. A family obligation may have kept Cyrus's body away from Josh all this time, but his heart never left him. Could it be that The One That Got Away is finally back for good?

Teddy: If there's one thing I don't do, it's commitment. You don't become an award-winning photographer by staying in one place. I'm always on the road, looking for the next shot, the next award, the next hot body. Which is how I end up on Dr. James Marian's front porch in the middle-of-nowhere Alaska. He's known as the Wildlife Whisperer, and I want to photograph him in action. He's reluctant at first, but I can be persuasive. Soon enough I have him in bed saying yes over and over and over again, but my ability to shoot and scoot is frozen by a Denali snowstorm. Jamie: I always thought of myself as the marrying type. Until I got left at the altar. Now I have a new motto: never commit and never fall in love. So when a cocky nature photographer decides I'm the key to his next masterpiece, it seems like the perfect arrangement: the hotshot's only in town for a brief assignment and then he'll be gone. No commitment, no strings, and no chance of getting my heart broken again. There's just one problem: I think I'm falling in love. Now I'm afraid that maybe I'm the marrying type after all. And he definitely is not. While it can also be read on its own, Taming Teddy is the second in the new Made Marian series. Each book tells the story of one of the Marian brothers' search for true love. The first in the series, Borrowing Blue, is available now.

"Do you remember what you promised?" Maverick: I haven't been back to Rabbit Island, South Carolina, since my parents died and my grandmother, Mimi, rejected me. I'm only returning now to attend her funeral and sell an estate I never wanted. But the moment I step foot on the island and fall into Beau's arms, I realize it might not be so easy to say goodbye after all. Beau Talmadge was always the boy next door, but now he's no longer a kid. The man is hot as hell and pushes all my buttons in the very best way. I'm supposed to leave in a week. Sell everything, close the door on my past, and walk away forever. So why am I letting myself fall for someone who lives thousands of miles away? And how the hell am I going to break it off when it's time to go? "That I'd come back." Beau: It took one short summer to fall in love with Maverick Mitchell and fifteen long years to forget him when he left. I'd never expected to see him again, but when he shows up at Mimi's funeral looking lost and lonely I can't resist doing anything I can to comfort him. Falling into bed with Maverick is easy and the nights we spend together are as hot and steamy as a South Carolina thunderstorm. I know it's not smart. I know it's not what he planned. But dammit, Mav belongs in my arms, in my bed, and in my life. So how the hell do I get him to stay? "Took you long enough." Fair warning: Moving Maverick is a 73k word gay romance novel featuring sweet tea vodka, fancy salt and pepper shakers, guys catching crabs (not that

kind), Aunt Tilly with a knife, and multiple detailed instances of man parts touching. Moving Maverick is the fifth book in the best-selling Made Marian series. It can be read on its own but is much more fun read as part of the series. The series begins with Borrowing Blue and each book follows a Marian brother's search for his HEA.

Griff: I learned early on that the easiest way to avoid a broken heart is to always be the first out the door. Caring about anyone or anything is asking to be disappointed, which is why I avoid relationships and chase freelance gigs - ghost writing restaurant reviews and penning articles about the efficacy of cheesy pick up lines - instead of chasing my dreams. Besides, dreams don't come true for people like me. And no one, not even the sexy-as-hell bartender at the club can convince me otherwise. Because I'm never risking my heart again. Sam: As a bartender I've watched a million pick-up artists work their magic, but none as talented as Griffin Marian. He's a flirt, a good time. Hooking up with him was supposed to be just a fling. I wasn't supposed to care about his fractured past or his buried dreams. I have my own future to worry about, especially after that stupid food critic scuttled my hopes of finally opening my own restaurant. But, the more time I spend with Griff, the more I'm beginning to realize that my plans mean nothing without him. If only I can convince him to

give us a chance to follow our dreams together. Fair warning: this book includes flirty sweetness, detailed descriptions of man parts touching, and the dirtiest thing to come out of Aunt Tilly's mouth yet. Grounding Griffin is the fourth book in the best-selling Made Marian series. It can be read on its own but is much more fun read as part of the series. The series begins with Borrowing Blue and each book follows a Marian brother's search for his HEA.

Jude: Reaching the top of the country music charts brings out the crazy, and there's no one crazier than my ex. Unfortunately, his threats to out me are escalating. Enter the bodyguard of my dreams. I'd probably chafe under his constant presence if his attention to my body wasn't so... ah... thorough. Now I have to worry about outing myself to millions of fans if I can't keep my hands off him in public.

Derek: Now I'm an ex-Marine turned babysitter. If I have to hear Jude sing his mega-hit Bluebells one more time, I might murder him myself, and after 6 years in special ops, I know my way around a weapon. Unfortunately, so does he. Except his arsenal includes washboard abs and a killer set of pipes. I've faced guns, knives, explosives and yet it's Jude Marian who may end up bringing me to my knees. Fair warning: Jude and Derek's story contains frequent detailed scenes of man parts touching, little old ladies being inappropriate, and two lonely hearts

coming together in perfect harmony. While it can also be read on its own, *Jumping Jude* is the third in the *Made Marian* series. Each book tells the story of one of the Marian brothers' search for true love. The first in the series, *Borrowing Blue*, is available now on Amazon.

A collection of contemporary Marian devotionals for nine feast days and the five liturgical seasons. Each morning and evening service includes a hymn, psalms, short readings, a canticle and prayers of intercession.

AJ: I know Dante's story better than anyone. After all, I was the one who rescued him from his homophobic, abusive father eight years ago. Since then, I've kept my distance, but when I run into him at the Marian House gala and he doesn't recognize me, I can't resist the incredible, sensitive man he's become. I would do anything to protect Dante Marian, but what if his past keeps me from being part of his future? Dante: Every new relationship has obstacles, it just turns out that ours involves my bumbling inexperience (ugh), an octogenarian naughty toy party (don't ask), and being on the run in an RV with Aunt Tilly (it involves the Secret Service- no really, don't ask). When my biological father takes his homophobic views to a national platform, the only way to stand up for what I believe in is to claim my past and

## Where To Download Made Marian Collection Volume One

confront him. So now it's time to decide: do I put the past behind me and walk away from AJ for good or face my biggest fear and fight for what's mine? Fair warning: Dante and AJ's story contains frequent detailed scenes of man parts touching, little old ladies being inappropriate (this time with, ah, props), and two hearts finding their HEA when they least expect it. While it can also be read on its own, Delivering Dante is the sixth in the Made Marian series. Each book tells the story of one of the Marian brothers' search for true love. Trigger Warning: Delivering Dante includes references to domestic violence and conversion therapy.

A collection of hilarious, poignant, and moving essays from Marian Keyes. Her tales of her eye-lash extension horrors, domestic goddess attempts, and the time that she decided to become a yoga instructor will have you crying with laughter.
