Making a Market for Acts of God provides a fascinating and incisive practice-based account of how reinsurance markets function for large-scale disasters, where assessment of risk can be more of an art than a science. Reporting on an ambitious project that details how a globally distributed market gets coordinated, it is a must read for those interested in practice theory, social studies of markets, and the social construction of risk.

Here are 40 acts of kindness to make the world a better place. 1. Give a Compliment. Tell someone that you care about them by complimenting them. It can be a big compliment or a small one. The point is that you share what good you see in them. That will help them develop confidence and a stronger sense of self.

If your plan is to build a small business and eventually support yourself and maybe a small staff, it might make sense to focus on a smaller market. If instead your plan is different and you expect to raise money from venture capitalists, your market needs to be huge. Marc-Arthur Gauthey from Startupassembly.co has explained it like this:

**The Essential Introduction to Marketplaces - Sharetribe**

The Care Act requires local authorities to help develop a market that delivers a wide range of sustainable high-quality care and support services, that will be available to their communities. When...
