Intermediate is

# Where To Download

a reading skills book that introduces students to some basic skills and strategies for academic reading.

Students then practice these skills in high-interest thematic units, each of which

# Where To Download

has multiple readings. The readings are written in an accessible academic discourse style, providing ideal practice for low-intermediate-level students who will eventually need to access

teaches an  
extensive range  
of reading  
skills and  
strategies in  
order to prepare  
students for  
college reading.  
The current

# Where To Download

series takes students from a low-intermediate to a low-advanced level of academic reading skill proficiency. In December 2015 two new levels - high beginning and advanced - will be added to the series. The

# Where To Download

series contains a strong focus on vocabulary-building, including teaching words from the Academic Word List. It emphasizes critical thinking and increased reading speed.

# Where To Download

The series has a unique unit structure. At the outset of each unit, students are presented with and practice key reading and vocabulary-building skills. As students read the texts following these

# Where To Download

sections, they apply these skills by completing exercises in boxes in the margins of the readings, so that students literally have to apply the newly-learned skills 'while reading.'
