When Jim kindly allows Mr Underbed to sleep in his bed he is unprepared for all the other night-time visitors who want to share it too! Paperback edition of this humorous bedtime classic with completely new illustrations from the multi-award winning Chris Riddell.

A unique monster-under-the-bed story with the perfect balance of giggles and shivers, this picture book relies on the power of humor over fear, appeals to a child's love for creatures both alarming and absurd, and glorifies the scope of a child's imagination. One night, when Ethan checks under his bed for his monster, Gabe, he finds a note from him instead: "Gone fishing. Back in a week." Ethan knows that without Gabe's familiar nightly scares he doesn't stand a chance of getting to sleep, so Ethan interviews potential substitutes to see if they've got the right equipment for the job—pointy teeth, sharp claws, and a long tail—but none of them proves scary enough for Ethan. When Gabe returns sooner than expected from his fishing trip, Ethan is thrilled. It turns out that Gabe didn't enjoy fishing because the fish scared too easily. Originally published: Burton, MI: Subterranean Books, 2010.

A startlingly original picture book about a little girl who creates a garden on a disused car park rooftop Funni loves the old, disused car park, and spends a lot of time there flying her kite and playing her recorder. But something is missing. Definitely. So Funni decides to create a garden in the neglected space and after weeks of careful nurture, her garden in the sky takes shape. One day, a little boy, Zoo, spots the square of colour amongst the grey from an incoming flight, and decides to try to find it. And slowly, not only do Funni's flowers bloom, but a very special friendship blossoms too. Beautifully illustrated in line and watercolour by up-and-coming talent, Fiona Lumbers, this is a poignant and memorable story from award-winning author, Linda Sarah.

Chris Riddell's Goth Girl and the Ghost of a Mouse is the beautifully illustrated winner of the Costa Children's Book Award. Ada Goth is the only child of Lord Goth. The two live together in the enormous Ghastly-Gorm Hall. Lord Goth believes that children should be heard and not seen, so Ada has to wear large clumpy boots so that he can always hear her coming. This makes it hard for her to make friends and, if she's honest, she's rather lonely. Then one day William and Emily Cabbage come to stay at the house and, together with a ghostly mouse called Ishmael, the three children begin to unravel a dastardly plot that Maltravers, the mysterious indoor gamekeeper, is hatching. Ada and her friends must work together to foil Maltravers before it's too late!
