My Facebook page is now in French not English!! This happened over-night while computer was off. I don't access Facebook on my phone - computer only. I need to go back to English.

~~My Facebook page is now in French not English!! This -~~

Facebook will serve you their website in the language of the country you are in. If your VPN is placing you in a French-speaking country, you get the site in French. Deactivating the VPN will sort out the problem. If you still want to use the VPN, set it to route your web traffic through an English speaking country such as the USA.
