General of the Armies | Military Wiki | Fandom

The General of the Armies of the United States, or more commonly referred to as General of the Armies, is the highest possible rank in the United States Army. The rank is considered equated to that of a six-star general; however, the number of stars has never been officially acknowledged by the Army. The rank has only been awarded on two occasions: in 1919, to general John J. Pershing in recognition of his service in the First World War, and in 1976, to George Washington, who was posthumously pr

General of the Armies - Wikipedia

General of the Army is a five-star general officer and the second highest possible rank in the United States Army. A General of the Army ranks immediately above a general and is equivalent to a fleet admiral and a General of the Air Force. The General of the Army insignia consisted of five 3⁄8 inch stars in a pentagonal pattern, with touching points. The insignia was paired with the gold and enameled United States Coat of Arms on service coat shoulder loops. The silver colored five-star ...
