can be built. Both history and literary history in the US have frequently revolved around understanding how Americans define themselves and each other, and Morrison's work seeks to investigate, question, and redefine one of the central concepts in American history and American literary history: color..

# File Type PDF Playing In The

Morrison turned to the classics of American literature to ask how authors had chosen to define the terms 'black' and 'white.' Instead of accepting traditional interpretations of these works, Morrison examined the way in which 'whiteness' defines itself through 'blackness,' and vice versa. Black bondage and the myths
