we know about the past, and it is through their examination of today's garbage that William...

*Rubbish!: The Archaeology of
Garbage - William L. Rathje ...*

William Rathje and Cullen Murphy tell the fascinating story of the

Online Library Rubbish The Archaeology Of Garbage

Garbage Project, which Professor Rathje has overseen for 20 years and through 28,000 pounds of garbage excavations. By bringing the cold rationality of archeology to bear in the modern landfill, the Garbage Project has demolished many myths about garbage and

Online Library Rubbish The Archaeology Of Garbage

unearthed important ancient truths about human society.

Rubbish! The Archaeology of Garbage - Foundation for ...

The Garbage Project has excavated eight sanitary landfills from California to Florida and

Online Library Rubbish The Archaeology Of Garbage

analyzed 6.71 metric tons of refuse deposited between 1952 and 1988.

locations. Despite being a book about garbage, the contents of the book are quite diverse.

*Amazon.com: Customer reviews:
Rubbish!: The Archaeology of ...*
From time immemorial, people have produced rubbish. Yet to an

Online Library Rubbish The Archaeology Of Garbage

archaeologist, not even this discarded material is a waste! Just as archaeologists can glean information about the past by excavating ancient houses, streets, and temples, so too can they learn by studying ancient trash. What people discarded tells

Online Library Rubbish The Archaeology Of Garbage

a lot about how they lived.

phenomenon of garbage.

*Rubbish!: The Archaeology of
Garbage, Rathje, William ...*

Archaeology is, in many respects,
the study of ancient human
garbage. But in 1973, Professor
William Rathje of the University of

Online Library Rubbish The Archaeology Of Garbage

Arizona took this to a whole other level. Yes, he assigned his students to study garbage. But not ancient garbage. Instead, he asked them to study modern garbage from people living in Tucson, Arizona.
