Steve McCurry - amazon.com

Deshalb interessierten mich die Bilder von Steve McCurry. Sie sind technisch perfekt und bilden das Land über mehrere Jahrzehnte ab. Aber sie idealisieren. Ich empfand es dort oft als nicht so klar, so scharf, so deutlich. In meiner Erinnerung war das Land grauer und oft diesiger und die Wirklichkeit banaler.

new collection, he shares previously unseen photographs from his incredibly rich archive. In *Search of Elsewheretakes* us across the globe and offers new perspectives on many of the locations that the photographer has already made famous - from India, Myanmar and Cuba, to Kashmir and the white-washed temples of the Himalayas. Each image is reproduced at large format and in remarkable detail and this new compilation reveals the incredible depth of his work. "I compare photography to food, air, and sleep... this creative energy, this impulse, is what gives us purpose, pleasure, joy, happiness and love." Steve McCurry Also available: *Steve McCurry: A Life in Pictures*

A selection of striking portraits by award-winning photographer Steve McCurry.

"Steve McCurry (b. 1950) is best known

Get Free Steve Mccurry Books

for his evocative colour photography of Southeast Asia. He has captured stories of human experience which, in the finest documentary tradition, cross boundaries of language and culture. McCurry's career was launched in 1979 when he crossed the border from Pakistan into rebel-controlled Afghanistan just before the Russian invasion. A contributor to National Geographic for many years and a member of Magnum Photos since 1986, McCurry's images have become modern icons."--BOOK JACKET.

Steve McCurry's iconic images have made him one of the world's most popular photographers working today. Now, for the first time, he shares the stories behind stunning images taken from around the world throughout his extensive career. In the finest documentary tradition, *Untold: The Stories Behind the Photographs*

Get Free Steve Mccurry Books

delves into McCurry's personal archive to reveal never-before-seen ephemera, including journals, portraits, maps, and beautifully reproduced snapshots from various assignments. The book is organized into 14 photo stories, each brought to life by narrative text and over 100 lavish, full-color photo plates. Together, these fascinating documents create a living biography of one of photography's greatest legends.

Presents a retrospective collection of the photographer's work over the past thirty years.

A celebration of the timeless act of reading - as seen through the lens of one of the world's most beloved photographers. Young or old, rich or poor, engaged in the sacred or the secular, people everywhere read. This homage to the beauty and

seductiveness of reading brings together a collection of photographs taken by Steve McCurry over his nearly four decades of travel and is introduced by award-winning writer, Paul Theroux. McCurry's mesmerizing images of the universal human act of reading are an acknowledgement of - and a tribute to - the overwhelming power of the written word.

Photojournalistic essay on the monsoon season of the Eastern hemisphere

A stunning collection of photographs of the LGBTQ community in Thailand, from one of the world's most renowned photographers Steve McCurry is the artist behind some of the most iconic images in contemporary photography. His 1984 portrait of Sharbat Gula ("the Afghan girl") on the cover of National Geographic

Get Free Steve Mccurry Books

remains widely recognized to this day. Now McCurry turns his attention to Thailand as part of a series of photobooks on LGBTQ communities around the world. Thailand has long had the reputation as one of the most gay-friendly destinations in Asia, particularly Bangkok with its nightlife and its relative openness and safety. While this may be true for tourists and expats, the idea of Thailand as a haven for LGBTQ people and for same-sex couples, heavily promoted by the tourist industry, does not necessarily extend to Thais themselves. While Thailand is home to the largest LGBTQ communities in Asia, the reality for them is less accepting. Discrimination and exclusion targeting LGBTQ people continues despite a nominally progressive stance on inclusion, and same-sex marriage remains illegal. Against this backdrop, McCurry's lushly colored

Get Free Steve Mccurry Books

photographs take us into the vibrant LGBTQ community in Bangkok, and this beautifully packaged, affordably priced book gives us a series of close to one hundred moving and intimate portraits of people who are no longer welcome in the community in which they grew up, but who have forged a new life and a new meaning of family in the queer community. *Belonging* was designed by Emerson, Wajdowicz Studios (EWS).
