It's little sister vs. big in this fresh take on a classic struggle by a master storyteller. Everything ten year-old Sprig wants, her older sister Dakota already has. Everything Sprig does, Dakota does better. And anytime Sprig complains, Dakota just grins and calls her a baby. It's enough to make a kid wish her sister would disappear. But in a year when Sprig's father is away, her favorite neighbor is ill, and the class bully is acting almost like, well, a boyfriend, Sprig discovers that allies come in unexpected shapes. Sometimes they're even related to you.

This engaging new book from the Finzels explores the ten most common ways men aggravate their wives. The authors assert that if a husband follows conventional wisdom and most of the models in today's American culture, he will fail miserably in his role as an encouraging companion to his spouse. Hans and Donna use practical stories as well as anecdotes from their own life together to illustrate ways a husband can strengthen his relationship with his wife.

“ Esolen signals with this book his presence in the top rank of authors of cultural criticism. ” —American Spectator Play dates, soccer practice, day care, political correctness, drudgery without facts, television, video games, constant supervision, endless distractions: these and other insidious trends in child rearing and education are now the hallmarks of childhood. As author Anthony Esolen demonstrates in this elegantly written, often wickedly funny book, almost everything we are doing to children now constricts their imaginations. Ten Ways to Destroy the Imagination of Your Child takes square aim at these accelerating trends. This practical, insightful book is essential reading for any parent who cares about the paltry thing that childhood has become, and who wants to give a child something beyond the dull drone of today ' s culture.
