Renowned illustrator Pacovska creates a tour de force, stretching the concept of book-as-object to the limit. Open your mind and come inside. A creative format that stretches to nearly twenty feet in length Full of geometric die-cuts, pop-up elements, richly coloured images, dots, holes, squiggles, squares and quirky faces.

The classic Hans Christian Andersen tale in simple text and colorful illustrations.

This unashamed visual feast celebrates the best designed and illustrated picturebooks from around the world over the past one hundred years. Each book is a creation of genius and inventiveness, and their design and illustration represent such diverse trends as the Russian Constructivists, Italian Futurists, and Postwar Neo-romantics. They are also mirrors of their times reflecting social concerns from a child's and family's perspectives throughout the twentieth and into the twenty-first century. Fearlessly confronting the frontiers between a child's picturebook and art, this is a collection of books that anyone with an interest in design, illustration, or simply children's literature should know about.

Every snowfall brings its own kind of magic, but this year when Nora and her sister Lizzie make a little snowcat for their snowman, Mr. Hollyberry, there's a little extra magic in the air. Their new neighbor Emily wishes more than anything that she could have a real cat just like it for Christmas. If only she knew what Mr. Hollyberry and his animal friends know--that there's something special about the snow that falls on Christmas Eve, something that can make wishes come true. An enchanting tale of Christmas wonder where new friends are made and wishes are granted, this is a perfect book for the holiday season.

"Little Red Riding Hood"(also known as "Little Red Cap" or simply "Red Riding Hood") is a French and later European fairy tale about a young girl and a Big Bad Wolf. The story has been changed considerably in its history and subject to numerous modern adaptations and readings. The story was first published by Charles Perrault. In the 19th century two separate German versions were retold to Jacob Grimm and his younger brother Wilhelm Grimm, known as the Brothers Grimm, the first by Jeanette Hassenpflug (1791\u20131860) and the second by Marie Hassenpflug (1788\u20131856). The brothers turned the first version to the main body of the story and the second into a sequel of it. The story as Rotkäppchen was included in the first edition of their collection Children's and Household Tales (1812)).
