**The Outcast by Sadie Jones - Goodreads**

In this brilliant debut Sadie Jones tells the story of a boy who refuses to accept the polite lies of a tightly knit community that rejects love in favor of appearances. Written with nail-biting suspense and cinematic pacing, *The Outcast* is an emotionally powerful evocation of post-war provincial English society, and a remarkably uplifting testament to the redemptive powers of love and understanding.

Brilliant book. Not, as one reviewer put it, "lush" writing, but spare, the "less is more" style, that conveys the repressive culture of the 50's in England, and the agony of its outcasts. As an old Brit, I remember those times. I was there! Looking forward to Sadie Jones' second novel.
