What makes the ultimate Sunday League footballer? YouTube star ChrisMD has turned amateur Sunday afternoon kick-arounds into a social media event - and now, for the first time, he's sharing all of his secrets. Join Chris as he reveals the characters, training tricks and top-level dietary regime (greasy sausage roll from the village café) that has got him where he is today. Chris's debut book also includes behind-the-scenes photos from his life as a YouTuber, plus his proudest moments, biggest embarrassments and favourite memories from his years of making videos with everyone from the Sidemen to his own family. Includes links to exclusive, never-before-seen ChrisMD videos.

How one man went from gaming and making videos at home to becoming a football club owner 'The bizarre new world of football' Guardian I lifted the trophy triumphantly over my head, just as I'd seen so many FA Cup, World Cup and Champions League winners do on TV. It was quite simply the best moment of my life. Hashtag United had won. So, how on earth did this happen? How did a kid who at one point couldn't even get in his school team end up playing at Wembley Stadium in front of 20,000 people? How did someone who spent his life playing computer games get to play football in the same side as World Cup- and Champions League-winning players? I'm hardly sure myself. But here's my attempt to tell the story.

Based on the popular Facebook page, which regularly reaches over 500,000 people, The Rory's Stories Guide to the GAA sends up a certain kind of fan, one who is obsessed with the GAA calendar, the local club and the county team above everything else. This hilarious guide to the GAA covers it all: bleep tests; post-game hangovers; forty-way WhatsApp conversations; that lad always doing his hamstring; fair-weather Dub supporters; old men who've umpired every parish game since the Civil War; Marty Morrissey's forehead; ham sandwiches; dirty corner-backs; more hangovers; impenetrable Kerry accents; weight training followed by ten pints; pretending to understand tactics; lobbing it up to the big lad; prima donna corner-forwards. Infinitely recognisable and laugh-out-loud funny, it's the perfect read for GAA fans.

Billions of you have watched their videos and millions of you have followed them on social media. So here we go; it's time to back up because YouTube superstars, The Sidemen, are finally here in book form and they're dishing the dirt on each other as well as the YouTube universe. There's nowhere to hide as KSI, Miniminter, Behzinga, Zerkaa, Vikkstar123, Wroetoshaw and Tobjizzle go in hard on their living habits, their football ability, and their dodgy clobber, while also talking Fifa, Vegas and superheroes. They'll also give you their grand house tour, letting you in on a few secrets, before showing you their hall of fame, as well as revealing some of their greatest shames. Along the way you'll learn how seven of the world's biggest YouTube stars started off with nothing more than a computer console, a PC and a bad haircut before joining forces to crush the internet. And they'll tell you just how they did it (because they're nice like that) with their ultimate

## Read Free Thrills Skills And Molehills The Beautiful Game

guide to YouTube while also sharing their memories of recording their favourite videos as well as a typical day in the life of The Sidemen. You'll feel like you're with them every step of the way, smelling the 'sweet' aroma of the boys' favourite dishes in the kitchen, stamping your passport as you follow them on their trips around the world and kicking every ball as the boys gear up for the biggest football match of their lives. It's going to get personal. It's going to get intense, and JJ is going to have lots of tantrums, so take a moment to prepare yourself, because this is The Sidemen book you've been waiting for!

Completely revised and updated for the 2018/19 season, this is a quiz book for all Manchester United fans, old and young alike. This fantastic book contains one hundred and one informative and entertaining trivia questions, all with multiple-choice answers. With some easy questions, some more challenging, this entertaining book will test your knowledge and memory of the club's long and successful history. You will be quizzed on players, legends, managers, opponents, transfer deals, trophies, records, honours, fixtures, songs and much more, guaranteeing you both an educational experience and plenty of fun. Educational, enjoyable and fun, The Manchester United Quiz Book will provide the ultimate in entertainment for Reds of all ages, and will test your knowledge and prove you know your Red Devils trivia - so buy this addictive quiz book now!

A masterpiece of linguistics scholarship, at once erudite and entertaining, confronts the thorny question of how—and whether—culture shapes language and language, culture. Linguistics has long shied away from claiming any link between a language and the culture of its speakers: too much simplistic (even bigoted) chatter about the romance of Italian and the goose-stepping orderliness of German has made serious thinkers wary of the entire subject. But now, acclaimed linguist Guy Deutscher has dared to reopen the issue. Can culture influence language—and vice versa? Can different languages lead their speakers to different thoughts? Could our experience of the world depend on whether our language has a word for "blue"? Challenging the consensus that the fundamentals of language are hard-wired in our genes and thus universal, Deutscher argues that the answer to all these questions is—yes. In thrilling fashion, he takes us from Homer to Darwin, from Yale to the Amazon, from how to name the rainbow to why Russian water—a "she"—becomes a "he" once you dip a tea bag into her, demonstrating that language does in fact reflect culture in ways that are anything but trivial. Audacious, delightful, and field-changing, *Through the Language Glass* is a classic of intellectual discovery.

The Edge calls *Trigger Happy* a "seminal piece of work." For the first time ever, an aficionado with a knowledge of art, culture, and a real love of gaming takes a critical look at the future of our videogames, and compares their aesthetic and economic impact on society to that of film. Thirty years after the invention of the simplest of games, more videogames are played by adults than children. This revolutionary book is the first-ever academically worthy and deeply engaging critique of one of today's most popular forms of play: videogames are on track to supersede movies as the most innovative form of entertainment in the new century.

Admitting you're a bell-end is the first step to salvation... KSI is one of the biggest and baddest YouTube stars on the planet. With over a billion views and millions of subscribers to his name, he is the undisputed king of social media. But despite this success he is a self-confessed bell-end. Excessively posting selfies, oversharing about his dead nan, spending all day scouring Tinder and suffering from red-hot Fifa rage, are just some of his undesirable online habits. However, with acceptance comes salvation and now KSI is blowing the doors off the internet to find the cure. No one is spared, as KSI takes down fellow YouTubers, trolls, paedos, Tinder catfishers and Nigerian scammers in an all-out assault on the online universe. Along the way he also reveals how to become a YouTube kingpin as well as his hot Fifa tips, before he unveils his online revolution to help save the next generation from his fate. So, if you want to avoid becoming a total bell-end, then calm your tits,

## Read Free Thrills Skills And Molehills The Beautiful Game

and simply take the medicine KSI is dishing up.

First Published in 1977. Routledge is an imprint of Taylor & Francis, an informa company.

Burmese meditation master Sayadaw U Pandita shows us that freedom is as immediate as breathing, as fundamental as a footstep. In this book he describes the path of the Buddha and calls all of us to that heroic journey of liberation. Enlivened by numerous case histories and anecdotes, *In This Very Life* is a matchless guide to the inner territory of meditation - as described by the Buddha.
