Gulf War research papers write on the Iraq and Kuwait and President Bush's US military build-up. Gulf War research papers can examine the war from any aspect you need. The historical significance of the Gulf War or the political complexity of the situation may be covered along with what it meant to the United States at the time and now. In your research paper on the Gulf War, you may want to begin by stating that on August 2, 1990, 100,000 troops from the armed forces of Iraq invaded Kuwait.
